

Scoliosis Research Society Research Grant Program

Grantor: Scoliosis Research Society

Closes: 10/1/2010

Maximum: \$0.00

Scoliosis Research Society Research Grant Program

Application deadline October 1, 2010

Faxed applications will not be accepted.

Applicants do not need to be members of the SRS.

Funds are for work to be performed, not works in progress or already completed.

All correspondence will be sent to the primary investigator. It is the responsibility of the primary investigator to provide information to co-investigators.

The SRS Research Grant program was not developed to support research for independent manufacturers, industry development or personal business financial gain. SRS will be sensitive to this issue and avoid funding these projects.

If grant is awarded, you must submit your findings as an abstract to the SRS Annual Meeting, with no guarantee of acceptance, before submitting to any other meeting.

SRS must be cited as the source of funding in any publication, presentation or in any publicity resulting from the award or its results.

The Research Grant Committee feels the following topics are important areas for research. This list is not all-inclusive and should not deter other areas of spinal pathology research.

- Evidence Based Medicine
- Idiopathic scoliosis
- Etiology
- Non-op and operative treatment
- 3D deformity of the spine and thorax
- Adult deformity
- Treatment and outcomes

Osteoporosis

- Osteoporotic spine fractures
- how it impacts scoliosis kyphosis management
- how it relates to spinal deformity and instrumentation

- Early onset scoliosis treatment
- Sagittal imbalance
- Congenital scoliosis
- Neuromuscular spinal deformity
- Deformity and reconstruction arising from spine and sacral tumor treatment
- Thoracic insufficiency children associated with spinal deformity
- Pulmonary outcome sequelae following common natural history of spine deformity and treatment history.

SRS is an International Association.

Our administrative office is located at:

555 East Wells Street, Suite 1100

Milwaukee, WI 53202-3823 USA
