

## American Nephrology Nurses' Association Research Sharing Award

**Grantor:** American Nephrology Nurses' Association

**Closes:** 10/15/2010

**Maximum:** \$350.00

American Nephrology Nurses' Association Research Sharing Award

### Purpose

To award an individual or group who has made a major contribution to the dissemination of research to nurses for use in clinical nephrology nursing practice, education, and/or administration. Dissemination of research findings refers to a systematic effort or project that is directed towards making the essentials of completed research available to nurses in an accessible and usable format. Research-based projects may take various forms such as publications, audio/video tapes, conferences, consultation, or educational programs.

Award: \$350

### Eligibility Criteria

1. Primary contact person or nominee must be an ANNA member, having been a member for a minimum of the last 2 years as of the awards/scholarship application deadline.
2. Actively involved in nephrology nursing related health care services.
3. Eligible projects must be focused on the development of an evidence-based project for nephrology nursing and relevant to nephrology nursing practice using ANNA's Nephrology Nursing Standards of Practice and Guidelines for Care (2005) as a guide.
4. The primary focus of the submitted project must be sharing findings of research with other nurses.
5. The submission package must demonstrate that the research-based project was:
  1. Presented in a form that is useful to nurses in nephrology settings.
  2. Made available to nurses in a convenient manner and at a reasonable cost.
  3. Packaged in a manner that will attract nurses to use or apply findings in their research, teaching, administration, and/or practice.
  4. Based on science using a synthesis of existing research.

All application materials must be submitted online ([www.annanurse.org](http://www.annanurse.org)) or postmarked by October 15, 2010 to:
