

Thomson Reuters/Frank Bradway Rogers Information Advancement Award

Grantor: Medical Library Association/Thomson Reuters

Closes: 11/1/2010

Maximum: \$500.00

Thomson Reuters/Frank Bradway Rogers Information Advancement Award

The Thomson Reuters/Frank Bradway Rogers Information Advancement Award – Recognize Technological Innovation in Health Science Information The Rogers Award, originally called the ISI Information Advancement Award, is presented annually in recognition of outstanding contributions in the use of technology to deliver health science information, in the science of information, or in the facilitation of the delivery of health science information. The award, sponsored by the Thomson Reuters, has been given since 1983. The recipient receives a cash award of \$500 and will be recognized at the 2011 Annual Meeting of the Medical Library Association.

For more information on the award and past winners go to: <http://www.mlanet.org/awards/honors/rogers.html>. For a copy of the nomination form, eligibility information and instructions go to:

http://www.mlanet.org/pdf/awards/rogers_nom_20090714.pdf. All nominations are due by November 1, 2010. Please forward this message to colleagues who might be interested. Contact Jonathan Koffel, Jury Chair (319-335-9731) or jonathan-koffel@uiowa.edu with questions.
