American College of Surgeons/Neurosurgery Research and Education Foundation of the American Association of Neurological Surgeons Faculty Career Development Award

The American College of Surgeons (ACS) and the Neurosurgery Research and Education Foundation (NREF) of the American Association of Neurological Surgeons (AANS) are offering a two-year Faculty Career Development Award to neurological surgeons.

The award is to support the establishment of a new and independent research program in an area of neurological surgery, co-sponsored by the ACS and the NREF. The award is \$40,000 per year for each of two years and is available to members or candidate members of both the ACS and the AANS. Applicants must have received full-time faculty appointment at a US or Canadian accredited medical school. Application deadline is November 15, 2010.
