**Grantor:** American Society of Safety Engineers

**Closes:** 12/1/2010

**Maximum:** \$6,000.00

2011 American Society of Safety Engineers Foundation Scholarship Award Program

### Program Rules:

Incomplete or late applications will be disqualified.

Applicants must graduate in May 2011 or later to be eligible for any of these awards.

Previous recipients of ASSE Foundation scholarship awards are eligible to receive subsequent awards.

All ASSE Foundation scholarships (except for the Thompson Scholarship for Women in Safety and the Charlie Darnell HSE Memorial Scholarships) require ASSE student membership that costs \$15 per year. To obtain an application for student membership, contact ASSE's Customer Service department at 847-699-2929 or download the application from our Web site. Student membership applications must be received via fax or U.S. Mail only.

If you are a part-time student applying for a scholarship, you must be an ASSE general or professional member.

Mail your completed applications postmarked by December 1, 2010 to:

ASSE Foundation  
Attn: Adele Gabanski  
1800 E. Oakton Street  
Des Plaines, IL 60018

Transcripts may be mailed separately. It is the student's responsibility to make sure it is received on-time.

The ASSE Foundation Scholarship Award & Selection Committee will review all applications. Award recipients names will be posted on the Foundation's website on or around April 1, 2011. If you have any questions, please e-mail to [agabanski@asse.org](mailto:agabanski@asse.org). No phone calls please.
