

National Parkinson Foundation 2011 Request for Applications

Grantor: National Parkinson Foundation

Closes: 12/10/2010

Maximum: \$250,000.00

National Parkinson Foundation 2011 Request for Applications

Individual grants will be limited to a maximum of \$250,000 over a period of up to two years.

NPF is pleased to issue its yearly Request for Applications (“RFA”) with the goal of funding clinical investigations in several specific areas of Parkinson’s disease research led at NPF Centers of Excellence (“COE”) and Care Consortium Centers. This RFA will provide support for well-designed clinical research that addresses comparative effectiveness of treatment, current unmet needs, and/or clinical controversies. This RFA will fund programs based on scientific merit, as determined by the NPF’s Clinical and Scientific Advisory Board (“CSAB”) in a peer-review process.

Applications will be accepted from any principal investigator affiliated with a currently certified NPF COE or a member of the NPF Care Consortium (“Applicant” from an “Eligible Institution”). Investigators not from Eligible Institutions are invited to participate as collaborators. Total grant funding is dependent upon quality of applications.

The following are the key dates for this RFA:

Release date: August 12, 2010

Application deadline: December 10, 2010 at 6:00 p.m. EST

Anticipated award announcement: On or before April 15, 2011
