American Association of Diabetes Educators Education and Research Foundation Annual Meeting Scholarships

Applications for 2010 AADE Education and Research Foundation scholarships are now available.

The deadline for applications is April 1, 2010. Recipients will be announced in May.

Annual Meeting Scholarships: Provide recipients with complementary registration for the Annual Meeting.

AADE - Sage Publications Travel Scholarships: Provide funds for travel/accommodations to Annual Meeting or other educational events.

AADE – Boehringer Ingelheim Pharmaceuticals Travel Scholarships: Provide funds for travel/accommodations to Annual Meeting.

AADE Foundation/Physicians Committee for Responsible Medicine (PCRM) Plant Based Diet Scholarship: The Physicians Committee for Responsible Medicine (PCRM) has teamed up with the AADE Foundation to provide funds for a unique scholarship. PCRM offers public and professional education materials, most at no or very low cost, on the use of a low-fat, plant-based nutrition approach for diabetes self-management. This scholarship is designed to recognize an educator who demonstrates knowledge of plant-based (vegan) nutrition, and its beneficial role in treating type 2 diabetes, and who has shared this information with people with diabetes under his/her care, resulting in nutritional behavior change and improvements in clinical markers.
