

Donald B. Lindsley Prize in Behavioral Neuroscience

Grantor: Society for Neuroscience/Grass Foundation

Closes: 4/1/2010

Maximum: \$2,500.00

Donald B. Lindsley Prize in Behavioral Neuroscience

Supported by The Grass Foundation

Application Deadline: April 1, 2010

The Grass Foundation established the Donald B. Lindsley Prize in 1979 to recognize meritorious research in behavioral neuroscience.

The prize, which includes \$2,500, is presented at the Society for Neuroscience's annual meeting and recognizes an outstanding Ph.D. thesis in the general area of behavioral neuroscience* submitted and approved during the previous calendar year.

Eligibility

Nominations must be made or endorsed by a SfN member. If the nominator is not an SfN member, the nomination package must include a letter of endorsement from a current Society member. Nominees do not have to be SfN members.

Due to potential conflicts of interest, members of the Donald B. Lindsley Prize Selection Committee cannot serve as nominators.

Eligible candidates must have a thesis submitted and approved between January 1 and December 31 of the preceding calendar year.

Application Information

Please submit the following materials to awards@sfn.org. Be sure to include the award name in the subject line.

* Four- to six-page thesis abstract (typed, double-spaced) with names and departmental affiliations of thesis committee members.

* Sponsor's letter commenting on the significance of the work.

* Candidate's curriculum vitae with professional address.
