### Education Advantage Program for the Hemophilia Community

The Education Advantage program represents Baxter's ongoing commitment and support to the hemophilia community. This unique, comprehensive program is designed to help eligible members of the hemophilia community offset the costs of higher education and pursue their dreams.

No matter what path you take, the Education Advantage program provides scholarship options to help you get an edge:

#### 1. UNIVERSITY SCHOLARSHIP

If you're working toward your bachelor's degree, you could be eligible for up to \$15,000 per year.

Advance Your Education!

#### 2. COMMUNITY COLLEGE AND TECHNICAL SCHOLARSHIP

If you're seeking an associate's degree or pursuing a technical/vocational certificate program, you could be eligible for up to \$2,500 per year.

The Education Advantage program is designed to accommodate applicants of all ages. All applicants must be:

- \* Diagnosed with hemophilia A or hemophilia with inhibitors
- \* A legal and permanent resident or citizen of the United States, enrolled in or planning to attend an accredited program or institution in the United States

Please note that the use of a Baxter product or service is not required for eligibility or consideration.
