

Barth Syndrome Foundation 2010 International Scientific, Medical & Family Conference Poster Award Travel Stipends

Grantor: Barth Syndrome Foundation

Closes: 4/15/2010

Maximum: \$800.00

Barth Syndrome Foundation 2010 International Scientific, Medical & Family Conference Travel Stipends

Poster Session

Call for Poster Abstracts

The Barth Syndrome Foundation 2010 Scientific and Medical Conference Organizing Committee (COC) invites the submission of abstracts for poster presentations related to the scientific and/or clinical aspects of Barth syndrome. The deadline for abstract submission is April 15, 2010. All submitted abstracts will be peer-reviewed by the COC. Once accepted, the submitting author will be expected to present his/her corresponding poster at a specific time during the Conference.

All Conference registrants are encouraged to submit abstract(s)/poster(s) of their work. Relevant posters presented within the last two years at other scientific/medical conferences may also be invited to be displayed by contacting the COC with the details.

Travel stipends (up to \$800) will be available based on need as well as quality of the poster. Completion of an additional form is required to apply for this funding, and we particularly encourage young investigators (including doctoral and post-doctoral attendees) to apply for this feature of the Conference.
