

5th Annual Best Cancer Reporter Award

Grantor: European School of Oncology

Closes: 4/30/2010

Maximum: \$13,593.00

5th Annual Best Cancer Reporter Award

The European School of Oncology is pleased to announce its 5th Annual Best Cancer Reporter Award which acknowledges excellence in cancer journalism.

There will be a top prize of \$10,000 and one runners up prizes of \$5,000. All winning articles will be published in ESO's Cancer World magazine.

Would you like to nominate a journalist who deserves to be recognised for writing outstanding stories about cancer?

Do you think that you should be rewarded for your clear and accurate reporting on cancer?

Materials published in a newspaper, magazine or on a website between 30 April 2009 and 30 April 2010 will be accepted. The closing date for nomination is 30 April 2010.

For full details and a nomination form visit www.cancerworld.org
