The Congress of Neurological Surgeons Original Science Program: Enhancing Scientific Exchange

The Congress of Neurological Surgeons (CNS) is committed to facilitating exchange of the best clinical and basic neurosurgical science in our Original Science Program.

The CNS Original Science Program comprises three distinct formats: Top Ten Abstracts, the Neurosurgical Forum, and Digital Posters. Irrespective of presentation format, all original science abstracts are also made continuously available and then archived after the meeting as online digital posters.

Submission Deadline

11:59 PM Central Time (GMT - 6)

Thursday, April 08, 2010

Please do not hesitate to contact the CNS at info@1cns.org with any questions or comments.
