Castle Ink's Green Scholarship

Your commitment to going green can earn you some green for college!

Castle Ink Cartridges is offering a \$2,500 COLLEGE SCHOLARSHIP to students showing a commitment to recycling and the environment. If you support efforts to reduce, reuse, and recycle, then you qualify for this scholarship from Castle Ink.

Castle Ink Cartridges is committed to helping students pursue higher education. Castle Ink is offering a \$2,500 scholarship to qualified students who are planning to participate in an accredited college or university program during the Fall 2010 or Spring 2011 term or full-year 2010-2011 school year. Students who apply must be a United States citizen or permanent resident with a minimum 2.5 Grade Point Average. In addition, students applying are required to submit the following:

- (1) a maximum of 100 words describing the things you've done to encourage and support recycling and/or protect the environment. Also acceptable is a video describing your recycling activities and why it's important to use eco-friendly products;
- (2) [PLEASE NOTE THIS IS OPTIONAL] creative use of an empty ink cartridge or old printer. Applicants can send pictures, video, or an actual "creation" along with their application.

If you have questions, please use our online contact us form.

All applications must be emailed to scholarships@castleink.com or mailed to:

Castle Ink
37 Wyckoff St
Greenlawn, NY 11740

Deadline is July 31 2010, 11:59:59 pm EST.

Applications are valid until the next deadline date, after which a new application must be submitted to be considered for a future scholarship.

Winners will be notified by email and the US Postal Service by August 15, 2010 and will be posted on the website at that time.

All applications dated by the deadline date will be included in the current scholarship award decision.
