American Association for Cancer Research-Genentech BioOncology Career Development Award for Cancer Research on the HER Family Pathway

Two-year grant of \$100,000. Applicants must have a medical degree (M.D., D.O., or international equivalent) or hold a combined M.D./Ph.D. and be affiliated with an institution in the U.S. One Career Development Award will be awarded this cycle.

Application Deadline: August 10, 2010, at 12 noon, Eastern Time

The AACR-Genentech BioOncology Career Development Award for Cancer Research on the HER Family Pathway is open to junior faculty in their first full-time faculty appointment. Proposed research projects must have direct applicability to the HER Family Pathway (basic, translational, clinical, or epidemiological cancer research).

The Award provides a 2-year grant of \$100,000 (\$50,000 per year) for direct research expenses; which may include the salary and benefits of the grant recipient, postdoctoral or clinical research fellows and/or research assistants, equipment and supplies. It is anticipated that one grant will be funded.
