

Hip Society European Fellowship in Hip Reconstruction

Grantor: Hip Society

Closes: 8/31/2010

Maximum: \$0.00

Hip Society European Fellowship in Hip Reconstruction

The Hip Society is pleased to accept applicants for the Clinical Fellowship in Reconstructive Hip Surgery. The one-year Fellowship is held at one or several European sites selected by the candidate and the Fellowship director. The Fellowship will provide excellent opportunities to learn surgical techniques from master hip surgeons in Europe and to pursue clinical research projects related to hip surgery.

Applicants must have completed their Residency Training in Orthopaedic Surgery in an approved program in the United States or Canada, and must furnish proof of a special interest in hip reconstructive surgery.

Applications are being accepted for the August, 2011 to July, 2012 Fellowship position. Applications must be received by August 31, 2010. The Fellowship enjoys generous financial support from the Maurice E. Müller Foundation of North America.

For further information, please write to:
