

Society of American Gastrointestinal and Endoscopic Surgeons Education & Research Foundation Grants Program

Grantor: Society of American Gastrointestinal and Endoscopic Surgeons

Closes: 8/31/2010

Maximum: \$60,000.00

Society of American Gastrointestinal and Endoscopic Surgeons Education & Research Foundation Grants Program

The SAGES Education & Research Foundation awards grants to 501(c)(3) or 501(c)(6) organizations that seek support for programs or projects that align with our mission, goals, or objectives. Grants are given on a competitive basis by submission of a grant application and proposal. Currently, grants are awarded for a one-year period only. Those seeking multi-year funding must reapply each year.

Availability of Grants: An expected total of \$150,000 to \$200,000 will be allocated in 2011. The SAGES Foundation will consider grant requests between \$1,000 to \$60,000.

Deadline: Grants must be submitted (not postmarked) by August 31st of each year. The grant will be reviewed in October and notification of approvals will occur in November or December.

Application: Grant applicants must structure their proposal as described in the application guidelines.

Evaluation of Applications: Applications are reviewed by the SAGES Foundation's Grant Committee and approved by the Board of Directors. Analysis of applications includes a determination of whether a request meets the basic funding criteria of the SAGES Foundation, including consistency with its programmatic goals, objectives, and priorities; clearly articulated pathways to achieving results; and the potential for measurable impact. A request for additional information may be required after application submission. Please note that due to the volume of applications, the SAGES Foundation is unable to fund all requests submitted for consideration.

For more information, please call the SAGES Foundation office at (310) 437-0544.
