

Orthopaedic Research Society Educational Grants

Grantor: Orthopaedic Research Society

Closes: 9/1/2010

Maximum: \$10,000.00

Orthopaedic Research Society Educational Grants

The Special Projects Committee (SPC) of the Orthopaedic Research Society will be accepting grant applications until September 1. Grants may be available for up to \$10,000 for meetings that are pertinent to all, or a significant portion of, the ORS membership. Educational programs need to fulfill the ORS requirements respecting educational and research goals. The SPC will carefully review all applications and submit them for a final approval from the ORS Board of Directors at their meeting in late September – early October.

INSTRUCTIONS

Please read the guidelines carefully before completing the forms, and note that all applicants are required to submit a written statement that all stipulations have been fulfilled. The SPC will evaluate only applications that have been completed in accordance with the ORS's guidelines; incomplete forms will be rejected.

Submit forms to:

Special Projects Committee

ELECTRONIC SUBMISSION PREFERRED

Email: lewsza@ors.org

If submitting via regular mail, please address to:

Attn: SP Committee Chair
Orthopaedic Research Society
6300 N. River Road, Suite 727
