

American Association of Hip and Knee Surgeons/Orthopaedic Research and Education Foundation Research Grant in Adult Reconstruction

Grantor: American Association of Hip and Knee Surgeons/Orthopaedic Research and Education Foundation

Closes: 9/15/2010

Maximum: \$40,000.00

American Association of Hip and Knee Surgeons/Orthopaedic Research and Education Foundation Research Grant in Adult Reconstruction

Applications due September 15, 2010

This grant provides seed money and start-up funding for a new investigator doing clinically relevant research in the topic area of adult reconstruction. One grant totaling \$40,000 for one year is available for Project Year 2011. The principal investigator or the co-principal investigator must be an orthopaedic surgeon and a member of the American Association of Hip and Knee Surgeons. PhDs and DVMs are eligible if they are affiliated with an orthopaedic department and working with an orthopaedic surgeon who is the principal investigator or co-principal investigator. Funds may not be used for salary. Applications for projects of a clinical or basic science nature will be accepted.
