

## **Raymond and Beverly Sackler American Association for Cancer Research Fellowships for Ileal Carcinoid Tumor Research**

**Grantor:** American Association for Cancer Research

**Closes:** 9/15/2010

**Maximum:** \$10,000.00

Raymond and Beverly Sackler American Association for Cancer Research Fellowships for Ileal Carcinoid Tumor Research

Two-year grant of \$100,000. Two grants will be awarded this cycle. The Fellowships are open to postdoctoral and clinical research fellows. Applications are invited from researchers currently in the field as well as from investigators with experience in other areas of cancer research who have promising ideas or research approaches that can be applied to ileal carcinoid tumor research. Proposed research may be basic, translational, clinical, or epidemiological in nature and must have direct application and relevance to ileal carcinoid tumors.

Applicants must have a doctoral degree (including Ph.D., M.D., D.O., D.C., N.D., D.D.S., D.V.M., Sc.D., D.N.S., Pharm.D., or equivalent doctoral degree, or a combined clinical and research doctoral degree) in a related field and not currently be a candidate for a further doctoral or professional degree.

Applicants must be in the first 5 years of a postdoctoral or clinical research fellowship at an academic, medical, or research institution anywhere in the world at the start of the grant term on February 1, 2011. Applicants must have started their fellowship no earlier than February 2, 2006 and no later than February 1, 2011. There are no citizenship or geographic requirements.

Application Deadline: September 15, 2010, at 12:00 noon, Eastern Time
