American Society for Clinical Pharmacology and Therapeutics Henry W. Elliott Distinguished Service Award

The Henry W. Elliott Distinguished Service Award was established in 1979 to recognize an ASCPT member who has gone above and beyond the call of duty in service to the organization.

The goal of the Henry W. Elliott Distinguished Service Award is to acknowledge outstanding efforts on behalf of the organization by an individual member and in doing so, encourage other ASCPT members to contribute their time and talent to the Society.

### **Eligibility**

A nominee must be a member of the ASCPT and cannot have held the position of President-Elect or President of the Society within the last five years. The essential criterion documented evidence of excellent service to the organization. One or two outstanding acts of service or a long record of many acts of service may justify the award. The recipient should have a record of continuous service to the Society, including one or many major accomplishments.

### **Prize and Presentation**

The Henry W. Elliott Distinguished Service Award is presented at the ASCPT Annual Meeting. The recipient will receive a plaque and a \$1,000 honorarium. Travel expenses, hotel expenses and meeting registration will be reimbursed by the Society.

Each year, the American Society for Clinical Pharmacology and Therapeutics Scientific Awards Program seeks to recognize outstanding science in clinical pharmacology. ASCPT Awards span the continuum of clinical pharmacology and recognize every turning point in the career path from young investigator to seasoned scientist.

The deadline to submit a nomination is September 24, 2010 at 4:00pm ET.

We encourage all members to participate in this important process. If you have any questions about any of the awards or nomination procedures, please contact [meetings@ascpt.org](mailto:meetings@ascpt.org).
