

## American Burn Association President's Continuing Education Grant

**Grantor:** American Burn Association

**Closes:** 1/1/2011

**Maximum:** \$500.00

American Burn Association President's Continuing Education Grant

The President's Continuing Education Grant is given at the ABA Annual Meeting to a non-physician member who has made significant contributions to the care of the burned patient. The grant is designed to allow personal development via continuing education. The award amount of \$500 cannot be used to finance continuing education as part of a degree program. Applicants must be sponsored by a physician who submits a letter outlining the applicant's outstanding contribution to the field of burn care. Up to 3 grants per year are awarded; selection is made by the ABA President. Applications must be submitted by January 1.

For further information or to obtain an application, send an email to [info@ameriburn.org](mailto:info@ameriburn.org) or call the ABA Central Office at (312) 642-9260.
