

## American Burn Association Traveling Fellowship

**Grantor:** American Burn Association

**Closes:** 1/1/2011

**Maximum:** \$5,000.00

### American Burn Association Traveling Fellowship

The Traveling Fellowship award is given at the ABA Annual Meeting to an ABA physician member or postdoctoral fellow who has given evidence of a continuing interest and productivity in the field of burn care, teaching, or research. A candidate's work in the field is anticipated to continue after the proposed travel, and to be advanced by the travel. A maximum reimbursement of \$5,000 is provided to the successful applicant to underwrite the recipient's travel expenses. For award consideration, candidates should submit: (1) a CV; (2) a letter detailing the travel that she/he proposes to undertake that identifies the specific benefits related to her/his career development to be obtained from the travel; and (3) a letter of support from the chief of a surgical service or burn center with which the applicant is associated. Materials must be submitted by January 1.

For further information or to obtain an application, send an email to [info@ameriburn.org](mailto:info@ameriburn.org) or call the ABA Central Office at (312) 642-9260.
