

American Psychological Association William A. Bailey Health and Behavior Congressional Fellowship

Grantor: American Psychological Association

Closes: 1/7/2011

Maximum: \$75,000.00

American Psychological Association William A. Bailey Health and Behavior Congressional Fellowship

The purpose of this fellowship is to provide psychologists with interests in health and behavior issues, including HIV/AIDS, health disparities, or lesbian, gay, bisexual, and transgender health issues, with an invaluable public policy learning experience, to contribute to the more effective use of psychological knowledge in government and to broaden awareness about the value of psychology/government interaction among psychologists and within the federal government.

Deadline: January 7, 2011

Congressional Fellowship Program
Government Relations Office
Public Interest Directorate
American Psychological Association
750 First St. NE
Washington, D.C. 20002-4242
