American Academy of Periodontology Foundation Charles W. Finley Visiting Scholar Education Grant

Application Deadline: February 14

The American Academy of Periodontology Foundation established Finley Visiting Scholar Education Grants to honor the memory of Dr. Charles W. Finley and all of the great periodontal leaders of the past, present, and future. Grants of \$1,500 are awarded to accredited U.S. periodontal programs to offset honoraria, travel, promotion, and seminars by speakers in periodontology. The grants must be matched by funds from each department or institution. Though the speakers spend the majority of their time with the periodontics department students and faculty, the grant requires that the speaker present a formal program to the entire dental school on a subject of interest.
