

American Asthma Foundation Research Program

Grantor: American Asthma Foundation

Closes: 2/9/2011

Maximum: \$750,000.00

American Asthma Foundation Research Program

Don't know anything about asthma? Perfect!

Next application deadline is February 9, 2011

We are looking for highly original thinking from investigators willing to step away from their current areas of research to tackle the asthma epidemic. We want you to translate your know-how and skills into asthma research.

Awards will be given to investigators at two levels:

Senior Investigator Award \$750,000 (\$250,000 per year for three years)

Early Excellence Award \$450,000 (\$150,000 per year for three years)

Eligible countries: United States, Canada, Australia, Ireland, Israel, Sweden and the United Kingdom.

Review criteria:

Innovation: cutting-edge research, new-to-the-field thinking

Potential for new insights into the causes and treatments for asthma

Importance, originality and clarity of the proposed research

Productivity and ingenuity of the investigator

The American Asthma Foundation has several ways to be contacted.
