

Anatrace Membrane Protein Award

Grantor: Biophysical Society

Closes: 5/1/2011

Maximum: \$3,000.00

Anatrace Membrane Protein Award

Deadline for nominations: May 1 of each year.

The Anatrace Membrane Protein Award, funded by Anatrace Inc., was established to recognize an outstanding investigator who has made a significant contribution to the field of membrane protein research. The award is designed to promote membrane protein studies and recognize excellence in the field. The award consists of \$3,000 and is distributed annually.

Eligibility:

- * Nominee must have made an exceptional contribution to the field of membrane protein research including but not limited to studies of the structure, biochemistry, or biological function of membrane proteins.
- * Nominee must not have received the Anatrace Award in any prior 5-year period and may not nominate.
- * Nominee must be a member of the Society in good standing.
- * Nominator must submit completed Nomination Form and required documents.

Nomination packets must include the following:

1. Completed Award Nomination Form;
2. A letter describing qualifications of the nominee. This letter should be no more than 4 pages and comment on the scientific contributions of the nominee to the field of membrane protein biochemistry/biophysics;
3. Two supporting letters;
4. Nominee's curriculum vitae, including all relevant publications.

Email Nomination packet to: society@biophysics.org
