

Angela S. M. Kuo Memorial Award

Grantor: Pediatric Orthopaedic Society of North America

Closes: 10/19/2012

Maximum: \$30,000.00

Angela S. M. Kuo Memorial Award

An award of \$30,000 is to be given to an outstanding young researcher, who is an active member of the Pediatric Orthopaedic Society of North America (POSNA) and to provide funds to help promote a long-term research career for that individual. Applicants should be 45 years of age or younger; and have been in independent practice not longer than twelve years.

The award recipient will be selected based on the applicant's past research accomplishments, future research potential, and on the ability of a submitted research proposal to help the applicant's research career. A letter of support from a POSNA member (other than the applicant) is required with the application. Applications are due October 19 and will be adjudicated by the POSNA Research Committee.

Applicants may apply for both the POSNA Research Award and the Kuo Award but must complete both applications

You can contact the POSNA office at (847)698-1692 or e-mail at posna@aaos.org
