

## DePuy Spine Research Grant

**Grantor:** Pediatric Orthopaedic Society of North America/DePuy Spine

**Closes:** 10/19/2012

**Maximum:** \$25,000.00

### DePuy Spine Research Grant

This grant is being offered this year thanks to the generosity of DePuy Spine. The grant will be for \$25,000 for one year. Proposals should be related to spinal deformity and also relevant to the mission of the Pediatric Orthopaedic Society of North America (POSNA). Budget may not include money used to procure human anatomic specimens or other human tissue. In addition the Principal Investigator must be a POSNA member or demonstrate close affiliation with a POSNA member on the proposed project. Application deadline is October 19.

Applications will be adjudicated by the POSNA Research Committee.

You can contact the POSNA office at (847)698-1692 or e-mail at [posna@aaos.org](mailto:posna@aaos.org)
