

St. Giles Young Investigator Award

Grantor: Pediatric Orthopaedic Society of North America

Closes: 10/19/2012

Maximum: \$10,000.00

St. Giles Young Investigator Award

An award of \$10,000 is to be given to a candidate member or an active member who has been a Pediatric Orthopaedic Society of North America (POSNA) member for five years or less. Award is to be used for educational research endeavors. Monies may include travel to centers of excellence to learn new techniques and skills. Application deadline is October 19.

Application Process

Applicants should submit a letter of application indicating the planned use of the funds if the application is successful and accompany the letter of application with their curriculum vitae. Please submit your letter and CV by email to posna@aaos.org.

If the award is to be used for travel, applicant must clearly demonstrate the importance of the proposed travel in advancing their career.

The award is to be made on an annual basis and is non-renewable.

The applicant can be a candidate member or an active member who has been a POSNA member for five years or less. POSNA members who have been a member for over five years are not eligible for the St. Giles Young Investigator Award.

Applications will be adjudicated by the POSNA Research Committee. Applicants may apply for other awards simultaneously, but must complete each individual application.

You can contact the POSNA office at (847)698-1692 or e-mail at posna@aaos.org.
