

European Society for Clinical and Economic Aspects of Osteoporosis and Osteoarthritis–AMGEN Fellowship Awards 2012

Grantor: European Society for Clinical and Economic Aspects of Osteoporosis and Osteoarthritis/AMGEN

Closes: 2/13/2012

Maximum: \$50,000.00

European Society for Clinical and Economic Aspects of Osteoporosis and Osteoarthritis–AMGEN Fellowship Awards 2012

The European Society for Clinical and Economic Aspects of Osteoporosis and Osteoarthritis (ESCEO) is pleased to announce two Osteoporosis Fellowship Awards, courtesy of a grant from Amgen. The recipients will each receive \$50,000 USD for one year to support their fellowship stipend.

All awards applications and supporting materials must be submitted on or before February 13, 2012 through the website and by mail. Late or incomplete packages will not be considered. Applications will be notified of the committee's decision no later than March 15, 2012.

Only the candidatures that observe the conditions required will be taken into account.

Evaluation criteria include:

A focus on patient-oriented clinical investigation

The significance and originality of the proposed study and hypothesis

The appropriateness, feasibility, and adequacy of the proposed experimental design and methodology

Availability of institutional resources to support the proposed project

Credentials and skills of the mentor and the plan for mentor/investigator interaction

Degree of direct involvement of the fellow in the design and conduct of the research

As a minimum candidates must have excellent written and verbal communication skills and must have been awarded either a PhD or an M.D. since 01.01.2001.

Candidates must have submitted an abstract and be registred at the ECCEO11-IOF congress at the time of the application.

PhD students are not eligible for this award.

Preferred areas of research for Fellowship application:

Epidemiology of Osteoporosis

Bone Quality

Health Economics aspects of Osteoporosis
