

Fun with 65! Enter Our Contest to Help the American Association for Respiratory Care Celebrate Major Milestone This Spring

Grantor: American Association for Respiratory Care

Closes: 2/15/2012

Maximum: \$250.00

Fun with 65! Enter Our Contest to Help the American Association for Respiratory Care Celebrate Major Milestone This Spring

The AARC is turning 65 on April 15, and we've come up with a simple yet fun way for everyone to get into the celebratory spirit—a new contest we're calling "Fun with 65!"

Just follow these two simple rules:

Illustrate the numeral "65" in a respiratory care-related way and then upload your results (photo, video, or song) using our special 65th Anniversary "Fun with 65" form.

Then fill out the rest of the form and add a photo of yourself and/or your creative team so we'll know who to credit with what.

The contest deadline is Feb. 15, and we'll announce the winners in the April issue of AARC Times. All the entries will be included in a special web feature on April 15.

Prizes include:

First Prize: A \$250 Gift Certificate to the AARC Store

Second Prize: A \$100 Gift Certificate to the AARC Store

Third Prize: A \$50 Gift Certificate to the AARC Store

Remember, the contest deadline is Feb. 15, so start brainstorming your ideas today!
