3M ESPE Preventative Pediatric Dentistry Postdoctoral Research Fellowship

Healthy Smiles, Healthy Children and 3M ESPE are now accepting applications for the 3M ESPE Research Fellowship. Up to three pediatric dentistry postdoctoral students/residents are selected each year to receive a yearlong research fellowship. The American Academy of Pediatric Dentistry/HSCH Committee on Scientific Affairs selects the recipients on a competitive basis from eligible submissions.

The 2011 recipients will present their research at the 65th Annual Session in San Diego, Calif., in May 2012.

Please contact Grant Management and Corporate Relations Coordinator Tracey N. Schilligo at (312) 337-2169 for more information. Proposals are due on March 1, 2012, via e-mail to awards@aapd.org for presentation at the 2013 Annual Session.
