

American Chemical Society Scholars Program: Scholarships for African American, Hispanic, and American Indian Chemical Science Students

Grantor: American Chemical Society

Closes: 3/1/2012

Maximum: \$5,000.00

American Chemical Society Scholars Program: Scholarships for African American, Hispanic, and American Indian Chemical Science Students

ACS awards renewable scholarships to underrepresented minority students who want to enter the fields of chemistry or chemistry-related fields. Awards of up to \$5,000* are given to qualified students. African American, Hispanic, or American Indian high school seniors or college freshman, sophomores, or juniors pursuing a college degree in the chemical sciences or chemical technology are eligible to apply.

*Number and amount of awards subject to individual financial need and available funding

African American, Native American and Hispanic students planning to pursue full-time study in a chemically-related field with outstanding academic records and a desire to pursue a career in the chemical sciences can apply for an ACS Scholars Award.

Accepted Majors and Career Goals

Acceptable Majors

Agricultural Chemistry

Chemistry

Biochemistry

Ceramic Science/Chemistry/Technology

Chemical Engineering

Chemical Technology

Environmental Science/Engineering (must be chemistry-based)

Forensic Science/Chemistry

Food Science (not nutrition)

Industrial Chemistry

Materials Science or Petroleum Engineering

Nanotechnology or Nano Science

Paper and Pulp Technology

Toxicology

Acceptable Career Goals

Chemist

Biochemist

Chemical Engineer

Chemical Technician

Forensic Chemist / Investigator

MD/PhD (research physician)

Patent Lawyer

Professor/Teacher of Chemistry, Biochemistry, or Chemical Engineering

Science Journalist

The following students are eligible to apply:

high school seniors entering college and planning to pursue full-time study in a chemically-related field

college freshmen, sophomores or juniors currently pursuing or planning to pursue full-time study in a chemically related field

community college students majoring in a two-year chemical technology program or planning to transfer to a four-year school

Award Amounts

\$2,500 for freshman

\$3,000 for sophomores

\$5,000 for juniors and seniors

The deadline to apply is March 1, 2012.

American Chemical Society Scholars Program

1155 16th Street, NW
