**Maximum:** \$420,000.00

Harold Amos Medical Faculty Development Program 2012 Call for Applications

Deadline: March 15, 2012, 3:00 PM EDT

The Harold Amos Medical Faculty Development Program was established to increase the number of faculty from historically disadvantaged backgrounds who can achieve senior rank in academic medicine and dentistry and who will encourage and foster the development of succeeding classes of such physicians and dentists. Four-year postdoctoral research awards are offered to universities, schools of medicine and dentistry and research institutions to support the research and career development of physicians and dentists from historically disadvantaged backgrounds who are committed to developing careers in academic medicine and dentistry and to serving as role models for students and faculty of similar background. The program defines the term “historically disadvantaged” to mean the challenges facing individuals because of their race, ethnicity, socioeconomic status or similar factors.

Total Awards:

We will fund up to nine four-year awards in this grant cycle. Scholars will receive an annual stipend of up to \$75,000 each, complemented by a \$30,000 annual grant toward support of research activities.
