Request for Applications: Prostate Cancer Foundation-Honorable A. David Mazzone Special Challenge Award Research Program 2012

The Prostate Cancer Foundation (PCF) is pleased to announce the PCF-Honorable A. David Mazzone Special Challenge Award Research Program 2012.

These two-year awards will provide a total of \$1 million per team. Challenge Awards support large-scale research projects. Proposals must be from teams of at least 3 highly experienced investigators capable of providing unique scientific expertise to the solution of a significant problem in prostate cancer research. A team may be assembled from one institution, or several institutions, from across the globe.

These awards focus on funding Treatment Sciences: Investigations of new ideas in man or laboratory support of a high impact clinical investigation.

IMPORTANT:

The online application submission form will go live at www.pcfscience.org after February 15, 2012.

The deadline for application submission is March 16, 2012.
