

2012 Scientific Sessions Cardiovascular Sonographer Travel Grants

Grantor: American Society of Echocardiography Foundation

Closes: 3/25/2012

Maximum: \$1,000.00

2012 Scientific Sessions Cardiovascular Sonographer Travel Grants

Deadline: March 25, 2012

The American Society of Echocardiography Foundation will sponsor two (2) \$1,000.00 sonographer travel grants to attend the 23rd Annual Scientific Sessions in National Harbor, MD (June 30 - July 3, 2012). The ASE Cardiovascular Sonographer Travel Grants are for sonographers (adult, pediatric, echo and/or vascular) to help fund their travel and registration to the ASE Scientific Sessions. These travel grants are part of an ongoing effort by the Council on Cardiovascular Sonography Board to recruit enthusiastic new members to join the Council on Cardiovascular Sonography membership. In addition, the hope of the Council Board is to provide interested sonographers with a deeper understanding of the imaging field and to facilitate the development of meaningful mentoring opportunities with established imaging faculty.

To apply for one of the two \$1,000.00 travel grants, you must be registered (ARDMS, CCI or international equivalent) and currently working part time or greater. Applicants need to submit a letter to the Selection Committee as to why he/she would like to attend the Scientific Sessions.

If you are awarded a grant, you will be expected to draft an article for The Journal of the American Society of Echocardiography outlining your experience at the Scientific Sessions and what you were able to share with your lab. (The article will be based on a set of provided questions.) You will also be invited to attend the June Council on Cardiovascular Sonography Board meeting that is held during the Scientific Sessions.
