

A.P. Ulbrich Research Award in Dermatology

Grantor: American Osteopathic College of Dermatology

Closes: 3/30/2012

Maximum: \$1,000.00

A.P. Ulbrich Research Award in Dermatology

The A.P. Ulbrich Research Award in Dermatology is an educational grant sponsored by the American Osteopathic College of Dermatology (AOCD) and funded through the AOCD Educational Research Fund. The grant is intended to enable the recipient to conduct a basic science or clinical research project that will make a significant contribution to osteopathic medicine and dermatology. The grant is offered to encourage osteopathic resident physicians to engage in dermatologic research.

ELIGIBILITY

Applications will be entertained from osteopathic physicians in postdoctoral training programs and research fellowships in dermatology. Each grant supports one individual. Not more than two consecutive or non-consecutive grants may be awarded to an individual.

The grant is not exclusive and the investigator may seek additional funding from other sources such as the AOA Bureau of Research, governmental agencies, other outside agencies, college or hospital, etc.

The grant provides financial support for the completion of a clinical or basic science research project. Various types of research are eligible for consideration.

For example:

The resident may contribute to or take responsibility for a portion of a research project that is ongoing.

The resident may seek support for conducting novel research after developing a feasible research proposal.

The resident may seek support to develop a research idea. In this case, the resident should first conduct a complete literature search to determine the feasibility and need for the project. A research proposal must be developed by the end of the grant timeline.

All resident research must be conducted under the guidance of a research advisor (i.e. sponsor).

DEADLINE FOR SUBMISSION

Applications must be received by March 30 to be eligible for consideration of award during the following academic year (July 1 - June 30).

THE AWARD

Distribution of the award will occur as follows:

\$500.00 when the official notification of the award is made.

\$250.00 upon receipt, and approval, of a mid-year progress report.

\$250.00 upon receipt, and approval, of a final progress report, and paper suitable for publication.

Winners of the award will be honored at the subsequent Annual AOCD meeting.
