

International Lactation Consultant Association Research Grants

Grantor: International Lactation Consultant Association

Closes: 4/1/2012

Maximum: \$7,000.00

International Lactation Consultant Association Research Grants

ILCA awards competitive small grants to ILCA members who submit proposals with scientific merit. Grant applications are due April 1 of each year. If after reading the grant application, you need more information about ILCA Research Grants, contact the Research Committee Chair, Anne Merewood, PhD, MPH, IBCLC, at Anne.Merewood@bmc.org.

Deadline for 2012 Annual Research Grant Application is April 1, 2012

The 2012 Annual Research Grant Recipient will be awarded US\$7,000.00

The funding amount for this research application is \$7,000.00. Partial funding may be awarded. To receive funding the proposed research and any supplemental funding applied for must comply with the World Health Organization (WHO) International Code of Marketing of Breast-Milk Substitutes. Research that reflects personal commercialism will not be considered. Funds will not be awarded for the following: travel funds to presentation sites; publication expenses; indirect or overhead expenses; i.e., administrative costs to institutions or healthcare agencies; and equipment valued at more than US \$500.00.
