Barth Syndrome 6th International Scientific, Medical & Family Conference Poster Session and Poster Travel Stipends

June 25th through June 30th, 2012 St. Pete Beach, Florida

As in previous years, a poster session is planned for BSF's 2012 International Conference. The poster session is an important part of the Conference, and the poster presenters are encouraged to apply for a stipend (up to US \$800) to help defray the cost of their attendance.

Abstracts with completed application forms must be submitted to Matthew J. Toth, PhD at [matthew.toth@barthsyndrome.org](mailto:matthew.toth@barthsyndrome.org) by April 15, 2012. Please allow several days before the deadline to resolve questions or problems. NO extensions will be granted. Presenting authors will be notified of the final selection decisions by e-mail on or before April 22, 2012.
