

American Society for Bone and Mineral Research Junior Faculty Osteoporosis Research Awards

Grantor: American Society for Bone and Mineral Research

Closes: 4/20/2012

Maximum: \$0.00

American Society for Bone and Mineral Research Junior Faculty Osteoporosis Research Awards

ASBMR is pleased to announce the call for applications for the 2012 Junior Faculty Osteoporosis Research Award. The award is designed to promote research related to osteoporosis and develop the applicant's future career in the bone field. One award will be given in osteoporosis-related clinical or osteoporosis-related basic research. The Award is supported by an educational grant from Amgen, Inc.

Types of Awards:

Junior Faculty Clinical Research in Osteoporosis Award

Junior Faculty Basic Research in Osteoporosis Award

The ASBMR Junior Faculty Osteoporosis Research Award is offered on a competitive basis to any ASBMR member at the junior faculty career level (up to assistant professor level) in his or her university or institution. Applicant must be an ASBMR member and remain a member throughout the duration of the award.

The deadline for the receipt of applications is Friday, April 20, 2012.
