

Biophysical Society Emily M. Gray Award

Grantor: Biophysical Society

Closes: 5/1/2012

Maximum: \$750.00

Biophysical Society Emily M. Gray Award

Established in 1997; the first award was presented in 1998.

Deadline for nominations: May 1 of each year.

The Emily M. Gray Award is given for significant contributions to education in biophysics, whether by teaching, developing novel educational methods or materials, promoting scientific outreach efforts to the public or to youth, generating a track record of attracting new students to the field of biophysics, or by otherwise fostering an environment exceptionally conducive to education in biophysics. The Emily M. Gray Lecture will be the keynote presentation at the Student Symposium at the Annual Meeting. The winner receives an honorarium of \$750.

Eligibility:

Nominee must have made an exceptional contribution to education in biophysics.

Nominee must be a member of the Society in good standing.

Nominator must submit completed Nomination Form and required documents.

Nominations packets must include the following:

Completed Award Nomination Form

Letter describing qualifications of the nominee

Two supporting letters

Nominee's curriculum vitae, focusing on educational and teaching contributions, and relevant list of publications

Email Nomination packet in PDF format to: society@biophysics.org
