Call for Nominations: 2012 John and Martha Morris Award for Outstanding Achievement in the History of Modern Chemistry or the History of the Chemical Industry

The Society for the History of Alchemy and Chemistry solicits nominations for the 2012 John and Martha Morris Award for Outstanding Achievement in the History of Modern Chemistry or the History of the Chemical Industry. This award honours the memory of John and Martha Morris, the late parents of Peter Morris, the editor of *Ambix*, who has contributed the endowment for this award.

The Morris Award is administered by a sub-committee on behalf of SHAC.

The recipient chosen to receive the Morris Award will be expected to deliver a lecture at a meeting of SHAC, where the awardee will be presented with an appropriate framed photograph, picture or document and the sum of £300. The award is international in scope, and nominations are invited from anywhere in the world.

The first Morris Award was given to Professor Raymond Stokes (University of Glasgow) for his path-breaking work on the German chemical industry.

A complete nomination consists of

- * a complete curriculum vitae for the nominee, including biographical data, educational background, awards, honours, list of publications, and other service to the profession;
- * a letter of nomination summarising the nominee's achievements in the field of history of modern chemistry and/or the history of the chemical industry and citing unique contributions that merit this award; and
- * two or more seconding letters.

Only complete nominations will be considered for the award and the nomination documents must be submitted in electronic form.

All nomination materials should be submitted by e-mail to Peter Morris at peter.morris@nmsi.ac.uk and a separate email which indicates that the material has been submitted should be sent to the same address (a precaution in case of

incomplete transmission of documents) for arrival no later than 1 May 2012.
