

Triological Society/American College of Surgeons Clinical Scientist Development Awards

Grantor: Triological Society/American College of Surgeons

Closes: 5/1/2012

Maximum: \$400,000.00

Triological Society/American College of Surgeons Clinical Scientist Development Awards

Submission deadline May 1, 2012

The Triological Society and the American College of Surgeons combined competitive grant program provides supplemental funding to otolaryngologists-head and neck surgeons who

· have received a new NIH Mentored Clinical Scientist Development Award (K08/K23)

OR

· have an existing award with a minimum of 3 years remaining in the funding period as of June 1, 2012.

This award is a means to facilitate the research career development of otolaryngologists-head and neck surgeons, with the expectation that the awardee will have sufficient pilot data to submit a competitive R01 proposal prior to the conclusion of the K award. This award provides financial support in the amount of \$80,000 per year for up to five years, or for the remainder of the term of existing grants, to supplement the K08/K23 award. Funding is dependent upon receipt of meritorious applications.

Applicants must be Associate Fellows or Fellows of the American College of Surgeons.
