Travel Grant for the Royan International Twin Congress

The 8th International Congress on Stem Cell Biology and Technology will be held in in Tehran, Iran in conjunction with the 13th Congress on Reproductive Biomedicine (Royan International Twin Congresses), September 5-7, 2012.

Royan International Twin Congress offers a limited number of travel grants especially young scientists to support a portion of their travel expenses. The grants aim to stimulate the attendance of selected young researchers and practitioners who would have difficulties attending Royan International Twin Congress without this assistance.

If you are interested in a travel grant, please fill in the "Travel Grant Application Form" and email it with a full new version of your CV under the name of "Travel Grant Application" to congress secretariat via : info@royancongress.com

If your abstract is accepted for oral presentation in the congress, please also mention the title of your abstract and your submission code in your application email.

Deadline for all grant application is May 31, 2012. Applications will be evaluated after deadline and you will be informed of the results in June.
