

International Eppendorf & Science Prize for Neurobiology

Grantor: Eppendorf /Science Prize

Closes: 6/15/2012

Maximum: \$25,000.00

International Eppendorf & Science Prize for Neurobiology

The International Eppendorf & Science Prize for Neurobiology is awarded annually to one young scientist for the most outstanding neurobiological research based on methods of molecular and cell biology conducted by him/her during the past three years.

Prize money: US\$ 25,000

Application deadline: June 15, 2012

The Eppendorf & Science Prize for Neurobiology is an international research prize.

Entrants must be a neurobiologist with an advanced degree received in the last 10 years and not older than 35 years of age.

The research described in the entrant's essay must be in neurobiology.

The entrant must have performed or directed the work described in the essay.

The research must have been performed during the previous three years.

Employees of Eppendorf AG, Science and AAAS and their relatives are not eligible for the prize.
