

## American Burn Association Cheryl Jordan Scholarship Fund

**Grantor:** American Burn Association

**Closes:** 7/1/2012

**Maximum:** \$0.00

### American Burn Association Cheryl Jordan Scholarship Fund

Cheryl Jordan was a well known and loved member of the ABA. As an Occupational Therapist she worked at Washington Hospital Burn Center. During her career she had the opportunity to travel to another Burn Center and learn from her colleagues, an experience she found to be clinically enriching. She was instrumental in the development of a burn rehabilitation program. She served on the Board of Trustees for the American Burn Association and received the Curtis P. Artz Distinguished Service Award. An educational exchange grant has been developed to honor her name and memory.

This educational exchange scholarship provides funds to non-physician ABA members to gain clinical experience while traveling to another burn center.

#### Application Criteria:

ABA member

Minimum experience 1 year

Provide brief description of the purpose of your visit

State the reason for choosing the specific burn center

Burn center must be a verified burn center

Explain why you should be awarded the grant

Must have two letters of recommendation (one from host institution)

Applications must be submitted to the MAC (Membership Advisory Committee) chairperson by July 1st.

For further information or to obtain an application, send an email to [info@ameriburn.org](mailto:info@ameriburn.org) or call the ABA Central Office at (312) 642-9260.
