**Closes:** 8/31/2012

**Maximum:** \$2,000.00

American Society for Laser Medicine and Surgery Caroline and William Mark Memorial Award

**Deadline:** August 31st

The Caroline and William Mark Memorial Award was established in 1982 to recognize candidates for their accomplishments either in the research or clinical field. The award is given in recognition of the candidate's lifetime contribution rather than merely on the basis of activity during the preceding twelve (12) months. The candidate's work should have been of a caliber that has achieved previous recognition from his or her colleagues. The candidates should not be limited to those individuals in academia alone but should also take into consideration the areas of private clinical endeavor. It is a requirement that the candidate be a member of the American Society for Laser Medicine and Surgery. The award which consists of \$2,000 and a plaque will be presented at the Annual Conference. The award recipient will be required to present a lecture during the plenary session at the conference.
