

American Society for Laser Medicine and Surgery Ellet H. Drake Memorial Award

Grantor: American Society for Laser Medicine and Surgery

Closes: 8/31/2012

Maximum: \$1,000.00

American Society for Laser Medicine and Surgery Ellet H. Drake Memorial Award

Deadline: August 31st

The Ellet H. Drake Memorial Award was established in 1995 to recognize a practicing physician who has contributed to innovative laser procedures and/or laser products for medicine. The award is given in memory of Ellet Drake, M.D., co-founder of the American Society for Laser Medicine and Surgery. The award may be given to either members or non-members. The award which consists of \$1,000 and a plaque will be presented to the award recipient at the Annual Conference. The award recipient will be required to present a lecture during a plenary session at the conference.

The award candidate must meet the following criteria:

1. A practicing physician with at least five years of practice;
2. Contributed to innovative laser procedures and/or laser products for medicine;
3. Contributed to literature and/or has demonstrated excellence in teaching on a regional or greater level substantiating his/her laser activity during his/her career; and
4. Good verbal communication skills to allow for an informative appropriate lecture.
