Maximum: \$646.00

Call for Young Investigators Posters: 2nd World Congress on Controversies in the Management of Viral Hepatitis (C-Hep)

Berlin, Germany, October 18-20, 2012

The C-Hep Young Investigator Poster Exhibition

We are delighted to announce a special opportunity for young investigators. The C-Hep Young Investigator Poster Exhibition will be held during the second C-Hep Congress on October 18-20, 2012 in Berlin, Germany. Successful poster presenters will be provided with a poster board at the Congress and their poster abstract text will be published on the Congress website.

An award will be granted to the winning author. Posters will be evaluated by the C-Hep Awards Committee. First prize will receive 500 Euros and the two runners-up will receive free registration to the 2013 C-Hep conference.

Topic: Studies focusing on viral hepatitis B or C will be considered.

Criteria for submission:

Participants must be under the age of 40. Proof of age must be sent to the Secretariat (identification document with photograph).

How to submit:

Please submit your important scientific insights into Hepatitis research using the online submission form.

Deadline: The deadline for submission is August 6, 2012.

Review process:

All posters will be reviewed and assessed by the Congress Scientific Review Committee based on scientific content and impact. The Scientific Review Committee reserves the right to decide on the status of each poster.
