American Academy of Dermatology Annual Meeting Registration Scholarship Program

Designed to give young dermatologists from outside the United States and Canada an opportunity to attend the American Academy of Dermatology's Annual Meeting, these scholarships are offered to individuals from all countries (with the exception of the United States and Canada) and are limited to two recipients per country.

The scholarship offers complimentary registration to the Academy's Annual meeting and admission to one postgraduate ticketed session course at the meeting (subject to availability). Applications must be endorsed by the applicant's national dermatologic society. National dermatologic societies must complete and submit a nomination form for each applicant.

Only two applicants per country will be considered. Previous scholarship recipients are not eligible. Successful candidates must have adequate funds for travel and housing, and should be able to understand spoken English.

Applications for the 2013 Annual Meeting will be accepted through Sept. 1, 2012.
